

DSWD DROMIC Preparedness for Response Report #3 on Severe Tropical Storm “FLORITA” as of 23 August 2022, 6AM

Situation Overview

Issued at 5:00 AM, 23 August 2022, “FLORITA” INTENSIFIES INTO A SEVERE TROPICAL STORM AND IS NOW MOVING NORTH NORTHWESTWARD TOWARDS THE ISABELA-CAGAYAN AREA

Heavy Rainfall:

- Heavy to intense with at times torrential rains over Cagayan, Isabela, Cordillera Administrative Region, Ilocos Region, and Zambales. Moderate to heavy with at times intense rains over the northern portion of Aurora, Bataan, Tarlac, and the rest of Cagayan Valley. Light to moderate with at times heavy rains over Metro Manila, CALABARZON, Camarines Norte, and the rest of Central Luzon.
- By tomorrow early morning through afternoon, heavy to intense with at times torrential rains over Ilocos Region. Moderate to heavy with at times intense rains over Benguet and Abra. Light to moderate with at times heavy rains over the rest of Cordillera Administrative Region.
- Under these conditions, scattered to widespread flooding (including flash floods) and rain-induced landslides are expected especially in areas that are highly or very highly susceptible to these hazard as identified in hazard maps, and in localities with significant antecedent rainfall.
- In the next 24 hours, the Southwest Monsoon will also bring monsoon rains over Western Visayas, MIMAROPA and the rest of Bicol Region. For more information, refer to the Weather Advisory #3 issued at 11:00 PM yesterday and the 24-Hour Public Weather Forecast issued at 4:00 AM today.

Severe Winds:

- Throughout the passage of FLORITA, winds may reach storm-force in strength in any of the areas where Wind Signal No. 3 is hoisted, while winds may reach gale-force in strength in any of the areas where Wind Signal no. 2 is hoisted. Strong winds (strong breeze to near gale strength) will be experienced within any of the areas where Wind Signal no. 1 is currently in effect.
- In the next 24 hours, gusts reaching strong breeze to near gale strength may also be experienced (especially in the coastal and mountainous areas) over Metro Manila,

Zambales, Bataan, Mindoro Provinces, Marinduque, Romblon, Northern Samar, Antique, Aklan, and the remaining areas of CALABARZON and Bicol Region.

Hazards affecting Coastal Waters:

- Under the influence of Tropical Storm “FLORITA” and the prevailing Southwest Monsoon, a Gale Warning remains in effect over the seaboard of Northern and Central Luzon, most of the seaboard of Southern Luzon, and western seaboard of Visayas. For more information, refer to Gale Warning #3 issued at 5:00 AM today.
- In the next 24 hours, the Tropical Storm and the Southwest Monsoon will also bring moderate to rough seas over the remaining seaboard of Southern Luzon and Visayas (1.2 to 2.8 m). These conditions may be risky for those using small seacrafts. Mariners are advised to take precautionary measures when venturing out to sea and, if possible, avoid navigating in these conditions.

Track and Intensity Outlook:

- Severe Tropical Storm FLORITA will continue to gradually accelerate northwestward and is forecast to make landfall in the vicinity of the east coast of either Cagayan or northern Isabela this morning or early afternoon. Afterwards, the storm will traverse Northern Luzon and emerge over the West Philippine Sea tonight. On the forecast track, FLORITA may exit the Philippine Area of Responsibility (PAR) on Wednesday morning.
- Due to the slight shift in the track forecast, a slight intensification prior to landfall is not ruled out. However, the frictional effects of the rugged terrain of Northern Luzon will cause FLORITA to slightly weaken. Once over the West Philippine Sea, the tropical cyclone is forecast to re-intensify.

The center of the eye was estimated based on all available data 120 km East Northeast of Casiguran, Aurora (16.6 °N, 123.2 °E) and is moving North Northwestward at 10 km/h with a maximum sustained winds of 95 km/h near the center and gustiness of up to 115 km/h

Status of Prepositioned Resources: Stockpile and Standby Funds

The DSWD Central Office (CO), Field Offices (FOs), and National Resource Operations Center (NROC) have stockpiles and standby funds amounting to **₱1,759,486,268.54** with breakdown as follows (see Table 2):

a. Standby Funds

A total of **₱848,919,378.86 standby funds** in the CO and FOs. Of the said amount, **₱765,504,390.12** is the available **Quick Response Fund (QRF)** in the CO.

b. Stockpiles

A total of **480,036 family food packs (FFPs)** amounting to **₱283,555,903.02**, **other food items** amounting to **₱190,626,265.93** and **non-food items (FNIs)** amounting to **₱436,384,720.73** are available.

Table 1. Available Stockpiles and Standby Funds

23 August 2022	<ul style="list-style-type: none"> The Disaster Response Management Bureau (DRMB) is closely coordinating with the concerned field offices for significant preparedness for disaster response updates. All DRMB Quick Response Team (QRT) members and emergency equipment are on standby and ready for deployment.
22 August 2022	<ul style="list-style-type: none"> DRMB prepared and allocated 10,000 FFPs to DSWD FO II, with following delivery details: 1,600 FFPs to PSWDO Quirino, 3,400 FFPs to SWAD Isabela and 5,000 FFPs to DSWD Warehouse in Ugac, Tuguegarao City. The Response Cluster is activated to monitor and facilitate emergency and humanitarian assistance response to the possible effects of Severe Tropical Storm (STS) "FLORITA".
21 August 2022	<ul style="list-style-type: none"> DRMB participated in the Online Pre-Disaster Risk Assessment (PDRA) Core Group Meeting on STS "FLORITA" with other response cluster member agencies on 21 August 2022. Further meetings shall be conducted on the implementation of COVID-19 protocols during the response efforts on the STS "FLORITA".

DSWD-NRLMB

DATE	SITUATIONS / ACTIONS UNDERTAKEN
23 August 2022	<ul style="list-style-type: none"> DSWD National Resource and Logistics Management Bureau (NRLMB) is continuously producing goods for possible augmentation. DSWD-NRLMB provides logistical augmentation to FOs on delivering FFPs to LGUs.
22 August 2022	<ul style="list-style-type: none"> DSWD-NRLMB dispatched six trucks, loaded with 10,000 FFPs bound to Region II

DSWD-NCR

DATE	SITUATIONS / ACTIONS UNDERTAKEN
22 August 2022	<ul style="list-style-type: none"> DSWD FO NCR activated its emergency operation center. DSWD FO NCR continuously conducts daily monitoring of STS "FLORITA" maximizing all available communication resources. DSWD FO NCR continuously coordinates with the Metro Manila Disaster Risk Reduction and Management Council (MMDRRMC) and the LGUs for significant disaster response updates relative to STS "FLORITA". The Quick Response Teams (QRTs) of DSWD FO NCR are on standby for possible disaster response operations.

DSWD-CAR

DATE	SITUATIONS / ACTIONS UNDERTAKEN
22 August 2022	<ul style="list-style-type: none"> DSWD FO CAR continuously conducts daily monitoring of STS "FLORITA" maximizing all available communication resources. The Quick Response Teams (QRTs) of DRMD is activated at the Regional Operations Center for continuous monitoring of their respective areas of responsibility. DSWD FO CAR ensures the availability and prepositioning of food and non-food items in response to possible effects of STS "FLORITA". DSWD FO CAR ensures the functionality and availability of telecommunications and transportation equipment.

DSWD-FO I

DATE	SITUATIONS / ACTIONS UNDERTAKEN
22 August 2022	<ul style="list-style-type: none"> DSWD FO I continuously conducts daily monitoring of STS "FLORITA" maximizing all available communication resources. DSWD FO I continuously coordinates with the Regional Disaster Risk Reduction and Management Council I (RDRRMCI), likewise, the Provincial Operations Offices (POOs) are in close coordination with the different Provincial/City/Municipal Disaster Risk Reduction and Management Councils (P/C/MDRRMCs) and Provincial/City/ Municipality Social Welfare and Development Offices (P/C/MSWDOs) for significant disaster response updates relative to STS "FLORITA". DSWD FO I lead by Disaster Response Management Division (DRMD) Officer-in-Charge (OIC) Ms. Grace A. Rendon, attended the PDRA meeting together with RDRRMCI member agencies and PDRRMOs.

DSWD-FO II

DATE	SITUATIONS / ACTIONS UNDERTAKEN
21 August 2022	<ul style="list-style-type: none"> DSWD FO II attended the Pre-Disaster Risk Assessment (PDRA) Core Group Meeting relative to the preparedness for response measures of every member council of Cagayan Valley Regional Disaster Risk Reduction Management Council (CVRDRRMCI).

	<ul style="list-style-type: none"> DSWD FO II ensures that the Regional Quick Response Teams (RQRTs), Social Welfare and Development Teams and City / Municipal Action Teams (C/MATs) in the region are on a ON-CALL/STANDBY status and are advised to coordinate with the Local Disaster Risk Reduction and Management Councils (LDRRMCs) / Local Social Welfare and Development Offices (LSWDOs) if there are concerns needed to be addressed by the Field Office. DSWD FO II continuous to ensure availability of Food and Non-Food Items (FNIs) at any given time. DSWD FO II through the Disaster Response Management Division (DRMD) is continuously coordinating with the Provincial / City / Municipal Social Welfare and Development Offices (P/C/MSWDOs) and Provincial / City / Municipal Disaster Risk Reduction Management Offices (P/C/MDRRMOs) in the provinces of Cagayan, Isabela, Quirino, Nueva Vizcaya and Batanes for significant disaster response updates.
