

DSWD DROMIC Terminal Report on the Preparedness for Response on the Observance of “UNDAS” 2023

10 December 2023, 6PM

I. Situation Overview

All Saints' Day (November 1) and All Souls' Day (November 2) or more commonly known as “UNDAS” by Filipinos is an annual remembrance of the departed. “UNDAS” (also known as Todos los Santos, Araw ng mga Patay) is when families gather in cemeteries to visit their loved ones. They flock around the graves lighting their colorful candles, placing nicely decorated flowers, and offer their prayers as a way of remembering the life of the person. It has been a tradition Filipinos never missed.

The occasion is often treated as a reunion or banquet, with families bringing food and drinks and camping out all day or even overnight. It is an official, state-recognized holiday, so people get leave from school or work on these days. This occasion usually leads to the increased volume of people on the roads, cemeteries, sacred grounds, and other related areas around the country which may lead to the possible occurrence of human-induced disasters and/or natural disasters.

“UNDAS” is traditionally celebrated on the first and second day of November. This year, November 1 (All Saint’s Day) and November 2 (All Souls’ Day) will fall on Wednesday and Thursday, respectively.
