

DSWD DROMIC Terminal Report on the Effects of Easterlies

29 January 2025, 6PM

I. Situation Overview

On November 07, 2023, the effects of Easterlies were reported in various locations in the country. Several barangays in Regions X and XII encountered flash floods, widespread flooding and rain-induced landslides necessitating immediate response measures.

On 08 November 2023, the weather disturbance persisted affecting additional areas in Region XI leading to displacement of families and individuals.

Local authorities and disaster management teams are actively engaged in response and early recovery efforts to address the displacement concerns of the affected populations and manage the aftermath of the incidents caused by Easterlies.
