

# DSWD DROMIC Terminal Report on the Flooding Incident in Katipunan, Zamboanga del Norte

14 April 2024, 6AM

## I. Situation Overview

On 27 December 2023 at 4:00AM, partly cloudy to cloudy skies with isolated rainshowers or thunderstorms brought by Easterlies may have brought possible flash floods or landslides during severe thunderstorms to Visayas, Mindanao, Bicol Region, and Palawan.

On the same day, several barangays in the municipality of Katipunan in Zamboanga del Norte experienced flooding as the heavy rainfall brought by the Easterlies caused a rise in the water level of rivers in the area.

Relative to the incident, the DSWD through its Field Office in Region IX, provided Family Food Packs (FFPs) to support the immediate needs of the affected families and individuals.
