

DSWD DROMIC Terminal Report on the Flooding Incidents in Davao Occidental

06 October 2024, 6PM

I. Situation Overview

Issued on 29 February 2024 at around 04:00 PM, cloudy skies with scattered rain showers and thunderstorms caused by Easterlies may have brought possible flash floods or landslides due to moderate to at times heavy rains in Caraga and Davao Region.

On the same day, several barangays in the municipalities of Malita and Sta. Maria in Davao Occidental experienced flooding due to Easterlies that resulted to displacement of families and individuals in the community.

Relative to the incident, the DSWD through its Field Office in Region XI, actively engaged in the monitoring of response operation, and coordinates with the concerned LGU for any significant updates and possible requests for relief augmentation.
