## DSWD DROMIC Report #1 on the Effects of Low Pressure Area as of 19 July 2024, 6AM

### I. Situation Overview

Issued on 17 July 2024 at 4:00 PM, the Low Pressure Area (LPA) was estimated based on all available data over the coastal waters of Guiuan, Eastern Samar. Cloudy skies with scattered rain showers and thunderstorms may have brought possible flash floods or landslides due to moderate to heavy rains in Bicol Region, Visayas, Caraga, Marinduque, and Romblon.

On 17 July 2024, PAG-ASA issued Rainfall Advisory No. 10, stating that the Low Pressure Area (LPA) is affecting Region VII. At around 2:30 PM, landslide incident was reported by LGU Catmon. In the evening, the municipalities in Northern Cebu were placed under a Red Warning Level due to heavy rainfall, resulting in severe flooding attributed to the effects of a Low Pressure Area (LPA). Following the incident, the LGUs of Daanbantayan, San Remigio, City of Bogo, Medellin and Santa Fe opened evacuation centers to provide temporary shelter for families affected by flooding in 15 barangays in Cebu Province.

On the same day, all provinces of Eastern Visayas experienced heavy rainfall, causing flooding in some areas in the municipalities of Isabel, Merida, Matag-ob, Palompon, and Baybay City in Leyte.

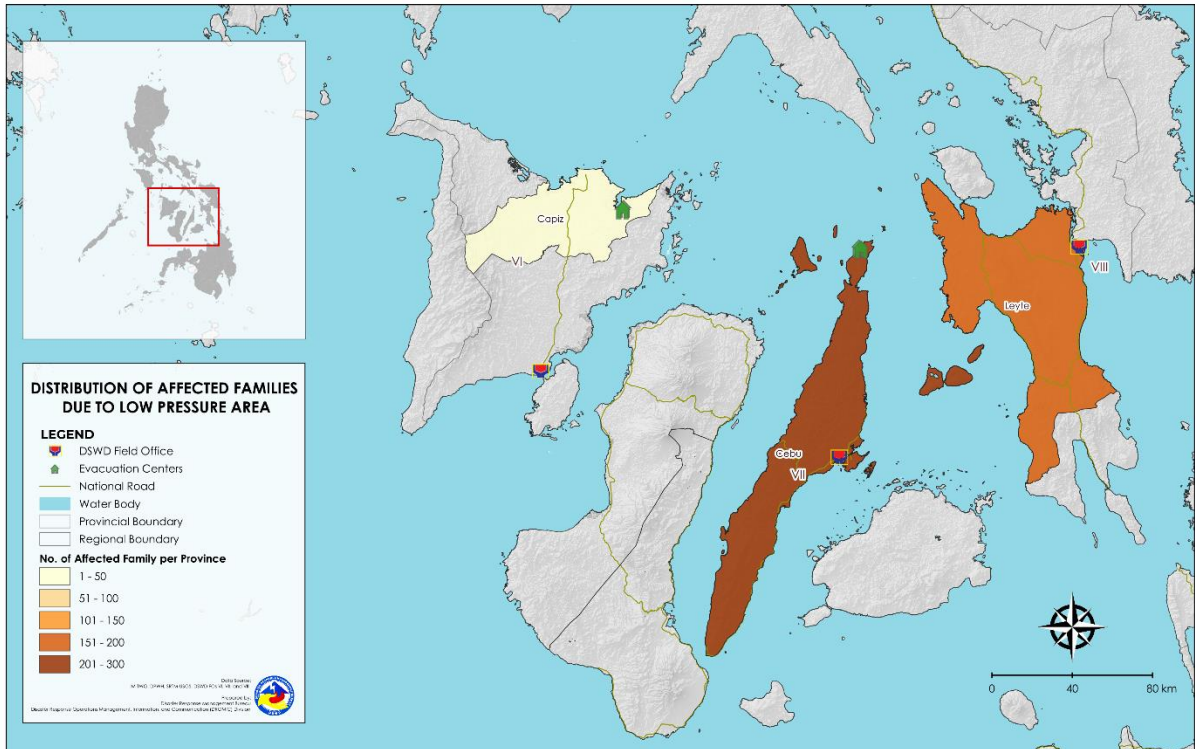

Issued on 18 July 2024 at 4:00 AM, the Low Pressure Area (LPA) was estimated based on all available data in the vicinity of Catbalogan City, Samar. Cloudy skies with scattered rain showers and thunderstorms may have brought possible flash floods or landslides due to moderate to heavy rains in Visayas, Bicol Region, Caraga, Marinduque and Romblon.

On 18 July 2024, at around 3:00 AM, continuous heavy rains were experienced in different parts of Capiz including Maayon and President Roxas which caused flooding in low-lying areas, and barangays situated near river banks. The flood has not yet subsided and the water level is still above its normal condition per LGUs.

### II. Status of Affected Areas and Population

A total of **467 families** or **1,730 persons** are affected in **20 barangays** in **Regions VI, VII** and **VIII**. (see Annex A).

### III. Status of Displaced Population

#### a. Inside Evacuation Center

There are **30 families** or **98 persons** currently taking temporary shelter in **four (4) evacuation centers** in **Regions VI and VII** (see Annex B).

#### b. Outside Evacuation Center

There are **21 families** or **105 persons** temporarily staying with their relatives or friends (see Annex C).

#### c. Total Displaced Population

There are **51 families** or **203 persons** displaced in **Regions VI and VII** (see Annex D).

### IV. Response Actions and Interventions

#### a. DSWD FNI Augmentation to Field Offices

### 1. Standby Funds

- ₱28.34 million Quick Response Fund (QRF) at the DSWD Central Office.
- ₱11.94 million available at DSWD FOs VI, VII and VIII.
- ₱63.06 million available in other DSWD FOs which may support the relief needs of the families affected by the effects of Low Pressure Area through inter-FO augmentation.

### 2. Prepositioned FFPs and Other Relief Items

- 216,076 FFPs available in Disaster Response Centers; of which, 160,960 FFPs are at the National Resource Operations Center (NROC), Pasay City and 55,116 FFPs are at the Visayas Disaster Resource Center (VDRC), Mandaue City.
- 220,009 FFPs available at DSWD FOs VI, VII and VIII.
- 1,080,581 FFPs in other DSWD FOs which may support the relief needs of the families affected by the effects of Low Pressure Area through inter-FO augmentation.
- ₱1.18 billion worth of other FNIs at NROC, VDRC, and all DSWD FOs warehouses.
