

DSWD DROMIC Report #3 on the Effects of Southwest Monsoon and Typhoon “Carina” as of 23 July 2024, 6PM

I. Situation Overview

Issued on 23 July 2024 at 5:00 PM, Typhoon “Carina” continues to intensify while moving Northward.

HAZARDS AFFECTING LAND AREAS

Heavy Rainfall Outlook

Forecast accumulated rainfall: From today to tomorrow afternoon

- 100-200 mm: Batanes, Babuyan Islands, the northern and eastern portion of Mainland Cagayan, and Ilocos Sur

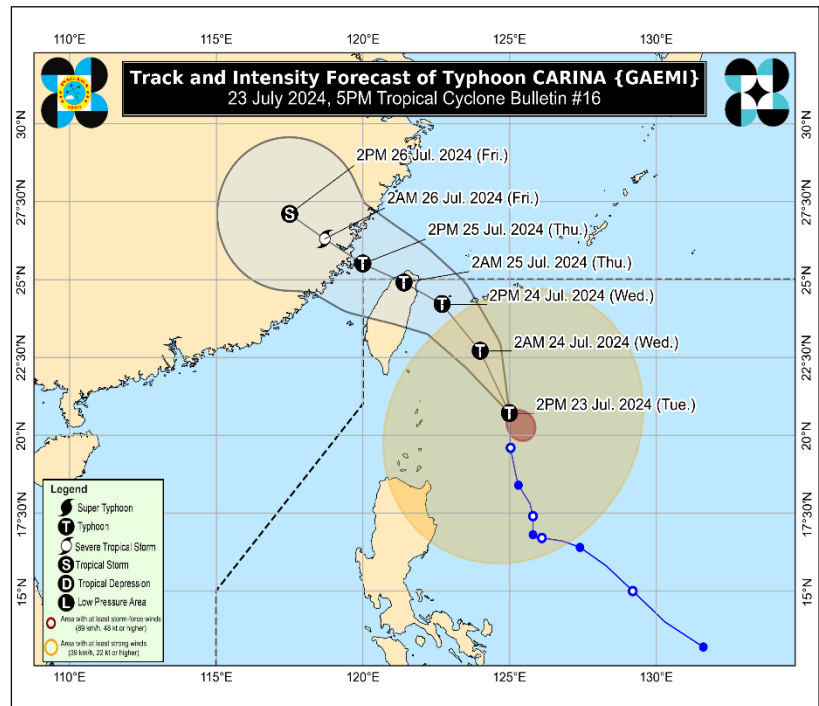

- 50-100 mm: Ilocos Norte, La Union, Abra, Benguet, Apayao, the eastern portion of Isabela, and the rest of Cagayan

Forecast accumulated rainfall: From tomorrow afternoon-Thursday afternoon (25 July)

- 100-200 mm: Batanes
- 50-100 mm: Babuyan Islands

Forecast rainfall are generally higher in elevated or mountainous areas. Under these conditions, flooding and rain-induced landslides are possible especially in areas that are highly or very highly susceptible to these hazards as identified in official hazard maps and in localities that experienced considerable amounts of rainfall for the past several days.

Furthermore, the Southwest Monsoon enhanced by “Carina” will bring moderate to intense rainfall over various localities in the western portion of Luzon today through Thursday. For more information, refer to Weather Advisory No. 27 issued at 11:00 AM today.

Severe Winds

The wind signals warn the public of the general wind threat over an area due to the tropical cyclone. Local winds may be slightly stronger/enhanced in coastal and upland/mountainous areas exposed to winds. Winds are less strong in areas sheltered from the prevailing wind direction.

- Minor to moderate impacts from strong winds are possible within any of the localities where Wind Signal No. 2 is hoisted.
- Minimal to minor impacts from strong winds are possible within any of the areas under Wind Signal No. 1

The Southwest Monsoon enhanced by “Carina” will also bring strong to gale-force gusts over the following areas (especially in coastal and upland areas exposed to winds):

- Today: Ilocos Region, Abra, Benguet, Nueva Vizcaya, Quirino, Zambales, Bataan, Aurora, Metro Manila, CALABARZON, MIMAROPA, Bicol Region, Visayas, Zamboanga Peninsula, Northern Mindanao, and Davao Region
- Tomorrow: Babuyan Islands, Ilocos Region, Abra, Benguet, Nueva Vizcaya, Quirino, Central Luzon, Metro Manila, CALABARZON, MIMAROPA, Bicol Region, Visayas, Zamboanga Peninsula, and Northern Mindanao
- Thursday: Batanes, Babuyan Islands, Ilocos Region, Cordillera Administrative Region, Nueva Vizcaya, Quirino, Central Luzon, Metro Manila, CALABARZON, MIMAROPA, Bicol Region, Western Visayas, Negros Occidental, and Northern Samar.

HAZARDS AFFECTING COASTAL WATERS

Gale Warning is in effect over the coastal waters of Batanes, Babuyan Islands, and the northeastern portion of Cagayan. Sea travel is risky for small seacrafts, including all types of motorbancas. For more information, refer to Gale Warning No. 2 issued at 5:00 PM today.

- In the next 24 hours, “Carina” and the enhanced Southwest Monsoon will bring rough seas over the northern and eastern seaboard of Northern Luzon and the eastern seaboard of Central Luzon outside Gale Warning areas (2.5 to 4.0 m).
- Moderate to rough seas are also expected over the eastern seaboard of Southern Luzon (2.0 to 3.0 m), western seaboard of Luzon (2.0 to 3.5 m), the southern seaboard of Southern Luzon (2.0 to 3.5 m), the western and eastern seaboard of Visayas (2.0 to 3.5 m), and the eastern seaboard of Mindanao (1.5 to 2.5 m). Mariners of small seacrafts, including all types of motorbancas, are advised not to venture out to sea under these conditions, especially if inexperienced or operating ill-equipped vessels.

TRACK AND INTENSITY OUTLOOK

- Over the Philippine Sea, “Carina” is forecast to move generally north northwestward tonight while gradually accelerating before turning northwestward tomorrow (24 July). On the track forecast, “Carina” will remain

far from the Philippine landmass. It is also forecast to make landfall over the northern portion of Taiwan between tomorrow evening and Thursday (25 July) morning, then exit the Philippine Area of Responsibility (PAR) hours later. Outside the PAR, “Carina” will cross the Taiwan Strait and make landfall over southeastern China on Thursday afternoon or evening.

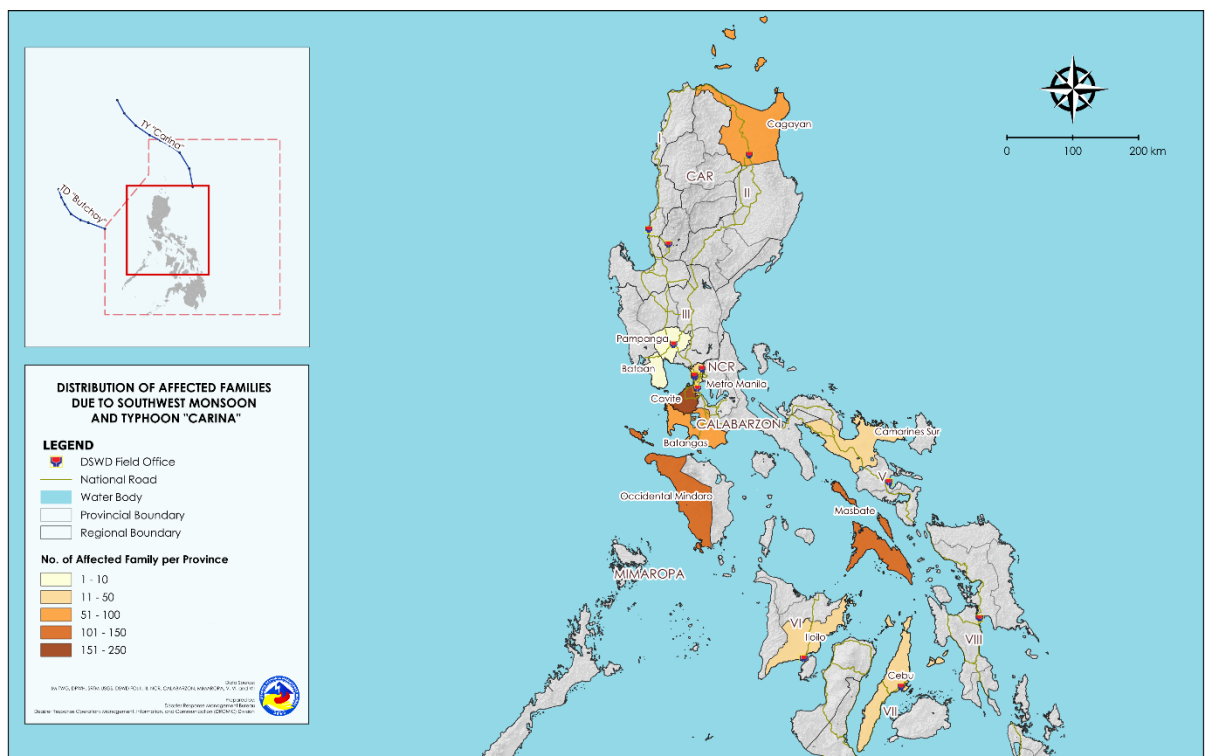

- “Carina” is forecast to steadily intensify and may reach its peak intensity prior to its landfall over Taiwan due to favorable environment. Rapid intensification remains likely. Its landfall over northern Taiwan will trigger a weakening trend for the rest of the forecast period.

The center of the eye was estimated based on all available data 325 km East Northeast of Basco, Batanes (21.1 °N, 125.0 °E) moving Northward 20 km/h with maximum sustained winds of 150 km/h near the center and gustiness of up to 185 km/h.

II. Status of Affected Areas and Population

A total of **806 families** or **2,995 persons** are affected in **47 barangays** in **Regions NCR, II, III, CALABARZON, MIMAROPA, V, VI, and VII** (see Annex A).

III. Status of Displaced Population

a. Inside Evacuation Center

There are **596 families** or **2,133 persons** currently taking temporary shelter in **42 evacuation centers** in **Regions NCR, II, III, CALABARZON, MIMAROPA, VI, and VII** (see Annex B).

b. Outside Evacuation Center

There are **29 families** or **127 persons** temporarily staying with their relatives or friends (see Annex D).

c. Total Displaced Population

There are **625 families** or **2,260 persons** displaced in **Regions NCR, II, III, CALABARZON, MIMAROPA, VI, and VII** (see Annex E).

IV. Damaged Houses

A total of **174 houses** were damaged; of which, **15** are **totally damaged** and **159** are **partially damaged** in **Regions V and VI** (see Annex F).

V. Cost of Humanitarian Assistance Provided

A total of **₱245,938.14** worth of assistance was provided to the affected families; of which, **₱236,003.14** from **DSWD** and **₱9,935.00** from the **Local Government Unit** (see Annex G).

VI. Response Actions and Interventions

1. Standby Funds

- ₱28.34 million Quick Response Fund (QRF) at the DSWD Central Office.
- ₱38.62 million available at DSWD FOs II, III, CALABARZON, MIMAROPA, V, VI, VII and NCR.
- ₱36.38 million available in other DSWD FOs which may support the relief needs of the families affected by the effects Southwest Monsoon and Typhoon “Carina” through inter-FO augmentation.

2. Prepositioned FFPs and Other Relief Items

- 227,251 FFPs available in Disaster Response Centers; of which, 127,735 FFPs are at the National Resource Operations Center (NROC), Pasay City and 100,016 FFPs are at the Visayas Disaster Resource Center (VDRC), Mandaue City.
- 804,925 FFPs available at DSWD FOs II, III, CALABARZON, MIMAROPA, V, VI, VII and NCR.
- 523,153 FFPs in other DSWD FOs which may support the relief needs of the families affected by the effects of Southwest Monsoon enhanced by Typhoon “Carina” through inter-FO augmentation.
- ₱1.20 billion worth of other FNIs at NROC, VDRC, and all DSWD FOs warehouses.

c. Food and Non-food Items (FNIs)
