

# DSWD DROMIC Preparedness for Response Report #1 on the Observance of Semana Santa 2025 as of 15 April 2025, 6AM

## Situation Overview

As the Asian country with the highest population of Christianity, the Philippines annually commemorates the "Semana Santa" or Holy Week, a week-long celebration of Jesus Christ's sacrifice on the cross for the salvation of His people from sin and His gift of everlasting life. The observation starts on Palm Sunday and ends on Easter Sunday – the day where we celebrate Christ's resurrection from the dead. The whole week is observed in solemnity, with Holy Thursday and Good Friday declared as official holidays pursuant to Proclamation No. 727<sup>1</sup>, issued on 30 October 2024 by the Office of the President. As such, it is common that Filipinos begin to take leave from school or work as early as Holy Monday and lasting the entire week.

During this time, majority of the Filipinos join the rush to go home to their respective hometowns and provinces to spend this holy festivity together with their families. Consequently, an increase in volume of people are expected in transport stations such as bus terminals, air and sea ports, which amplifies their vulnerability to human-induced disasters. Naturally, we also cannot rule out the possibility of the occurrence of natural disasters during this period.

## Weather Bulletin

Issued on 15 April 2025 at 4AM, Frontal System affecting Extreme Northern Luzon while Easterlies is affecting the rest of the country. Cloudy skies with rains due to the Frontal System may cause possible flash floods or landslides due to moderate to at times heavy rains over Batanes, Cagayan, and Apayao. Cloudy skies with scattered rains and thunderstorms due to Easterlies may cause possible flash floods or landslides due to moderate to at times heavy rains in Zamboanga Peninsula, Basilan, Sulu, and Tawi-Tawi. Meanwhile, partly cloudy to cloudy skies with isolated rainshowers or thunderstorms caused by Easterlies may cause possible flash floods or landslides during severe thunderstorms over Metro Manila and the rest of the country.
