

## DSWD DROMIC Report #2 on the Flash Flood Incidents in Glan, Sarangani as of 02 April 2025, 6PM

### I. Situation Overview

Issued on 31 March 2025 at 4:00 AM, the weather report indicated partly cloudy to cloudy skies with isolated rainshowers or thunderstorms, attributed to the prevailing Easterlies. These conditions heightened the risk of flash floods or landslides, particularly during severe thunderstorms, across Metro Manila and the entire country.

On the same day, several barangays in Glan, Sarangani, experienced flash floods due to heavy rainfall brought by the Easterlies.

Relative to the incident, the Department of Social Welfare and Development (DSWD) through its Field Office in Region XII provided relief assistance to support the immediate needs of the affected families and individuals.
