| 18 July 2025 | <ul style="list-style-type: none"> The Department of Social Welfare and Development (DSWD) has activated its Response Cluster to prepare for the possible impacts of the Southwest Monsoon and Tropical Depression (TD) "CRISING," formerly identified as Low Pressure Area (LPA 07F). Undersecretary for Disaster Response Management Group (DRMG) Diana Rose S. Cajipe reaffirmed the Department's commitment to delivering timely and effective social protection interventions to communities that may be affected by flooding, displacement, and other hazards associated with TD "CRISING" and the intensified Southwest Monsoon. The Disaster Response Management Bureau (DRMB) is currently on Red Alert Status to ensure continuous monitoring and dissemination of significant disaster-related updates, in close coordination with DSWD Field Offices for the implementation of preparedness and readiness measures, and with DOST-PAGASA for timely and accurate weather forecasts and advisories. All members of the DRMB Quick Response Teams (QRTs), as well as emergency logistics equipment, are on standby for immediate deployment as necessary. In support of these efforts, the National Resource and Logistics Management Bureau (NRLMB) is ensuring the adequate supply and timely replenishment of Food and Non-Food Items (FNFI) for resource augmentation to DSWD Field Offices. The NRLMB is likewise continuing its repacking operations to meet the anticipated demand. Furthermore, DRMB actively participated in the Pre-Disaster Risk Assessment (PDRA) meetings in line with the projected impacts of the Southwest Monsoon and TD "CRISING." The Department remains steadfast in its commitment to safeguard the welfare of vulnerable communities and to support the national government's disaster preparedness and response efforts. |
