

## **DSWD DROMIC Report on the Effects of Localized Thunderstorms in Brgy. Nagtipulan, Lagangilang, Abra**

06 August 2025, 6PM

### **I. Situation Overview**

Issued at 4:00 PM on 17 June 2025, partly cloudy to cloudy skies with isolated rainshowers or thunderstorms were observed over Luzon. These weather conditions, caused by localized thunderstorms, may have triggered possible flash floods or landslides, particularly during periods of intense rainfall.

At approximately 9:40 PM, heavy rains and strong winds led to the collapse of a Kapok tree, which fell on a residential house located in Sitio Malamalliga, Barangay Nagtipulan, Lagangilang, Abra.

In immediate response to the incident, the Department of Social Welfare and Development (DSWD), through its Field Office in the Cordillera Administrative Region (FO-CAR), promptly extended relief assistance to support the urgent needs of the affected family.

The Department remains in close coordination with the concerned local authorities to monitor the situation and ensure the provision of necessary interventions if needed.
